

# AHS INTRA-DAY ADVANCED SOCCER TRAINING 2018-19 NOW AVAILABLE

American Heritage School has partnered with *The Pinnacle Education and Athletic Center (The PEAC)* to provide a unique opportunity to AHS students to receive high-level soccer training during the school day.

AHS has worked with The PEAC to reserve Tuesday and Thursday afternoons during the school day for AHS students to receive high-level soccer training sessions from top trainers at The PEAC.

The PEAC ([thepeac.com](http://thepeac.com)) is a brand new education and athletic facility located approximately ½ mile East of AHS. This facility is a 23,000 square foot building, 35 feet tall, with 9 classrooms on the main floor and the entire 2nd floor a turf athletic training area and a full 9v9 soccer field outside.

The PEAC functions as a preschool during the day and is the first preschool in Utah to integrate a custom developed athletic and physical development program into its daily preschool curriculum.
